## Learning Fun In Room 8

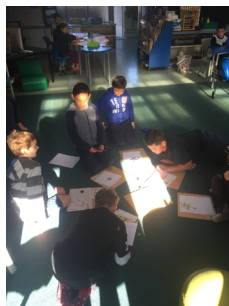

### What a great way to make maths learning fun!

Create a monster maths battle.

Rules:

1. Both players pick a number 12, 15 or 30 (any number); that's their life.
2. Paper, scissors, rock for who starts.
3. Starting player rolls the dice. They then subtract the number off their opponent's life. For example if the starting player rolled a 4 and their life was 30 it would be  $30 - 4 = 26$ .
4. The next player does the same thing as the first player.
5. The first player to lose all of their lives loses the game.

The boys created a six-way battle, developed strategies and changed the rules so they could divide the damage between different players. For example, if I rolled a six, I could give '3 damage' to one player, '2 damage' to another and '1 damage' to the other ( $3 + 2 + 1 = 6$ ).

Monster maths – alive and well in Room 8

High Tea is served in Room 5.  
Cup of Milo for anyone?

### Fundfinders: Disaster Plaster Fundraiser

How are you going with the selling of the plasters? If you have sold all 15 boxes, please return the money in the envelope that was in your carton to the office ASAP. If you want another carton to sell, please ask at the office. If you are having trouble selling the plasters, no worries - just return the carton with the unsold boxes and any money from the ones you have sold to the office. There is still another week to have a go at selling these - a great fundraiser towards new sports uniforms and/or playground safety. (All money and unsold plasters returned to the office by Friday 30 June please.)

**Thanks again from the Fundfinders team!**

### Music Concert Next Week

**Thursday 29 June at 11.30 am** - Nikki's music students will be performing in a 'little' concert – come along and see what your child has been learning!

*Levin North School is a positive, caring community, which promotes lifelong learning, celebrates individuality and encourages participation and success for all.*

### Health and PE Consultation

Keep the feedback coming folks! We need to know what you think. The survey can be completed through our school website, school app or on traditional paper!!

### Te Takere Event!

**Tomorrow Night is our BIG NIGHT!!!! Come along and support our school (and Levin East) at our Matariki Concert!**

### Levin Gymnastics Club – School Holiday Programme

Two sessions will be run over the upcoming school Holidays:

Wednesday 12 July – 10.30 am to 12 noon; and

Wednesday 19 July – 10.30 am to 12 noon.

Cost is \$3.00 per child.

Parents must stay for the whole session with children under the age of 5 years.

Come along and have some fun!

Louise McCarthy – Head Coach Manager
