

16 August 2018

Dear Families of Levin North School Children,

**This is the newsletter that isn't!**

The reason for 'no newsletter this week' is that every Wednesday is 'writing day' for the contents and preparation work by Hoani Perigo or myself. Yesterday (Wednesday) we were on strike, hence did not have the day to do the work.

Any other notices relevant for the upcoming week will be shared on our School App (which is free) or on Facebook. We apologise for any inconvenience this has caused.

P.S. Can we remind parents and families of children going to camp in November, that payments (as much as you can afford), are being accepted either at our school office or through internet banking. This year we cannot afford to take children on camp who have not paid. Please see either myself or Mr Perigo if you would like to talk about this.

Yours sincerely

Moira Howard Campbell  
Principal
