Welcome,

Well done to all our inter-school athletes who competed last week at Waiopahu College. Thank you to the team of teachers who trained them and the parents that supported them on the day and helped run the high jump. The day was packed with many successes and the sportsmanship was outstanding. It was great to see our students talents shine and the resilience shown especially by our long distance runners.

New Teacher for Term 2

This term has seen a flood of unpredicted enrolments especially in our New Entrant class, and other year levels. Monday night we met with a number of talented teachers and have appointed Kathryn Keytes as our new New Entrant teacher who will be based in Room 10 from Term Two. Kathryn's enthusiasm and experience will add value to our staff and school. Thank you Jen O'Donnell our amazing New Entrance teacher for supporting our tamariki this term. If you have a child turning 5 years during the year, could you please let us know, as we may need another teacher before the end of the year. **There will be a Powhiri on Tuesday at 10 am for Kathryn and all our new students.**

EPro8

Well done to our problem solving guru's who competed at EPro8 at Levin Intermediate. Problem Solving was to the fore, along with group work and perseverance. Students had a live feed back to school, informing class-mates what they were doing and where they were placed. Thank you Mr Clark who prepared our two teams. He said it was great to see his 2018 students also competing in the successful Levin Intermediate team.

Extract from live feed: *"The North Fire Dragons are starting their structures."* *"Yay! We're number one!"*
"Oops! Spoke too soon. Now teams are piling on the points. Stay tuned..."

Lunchtime Helpers

Are you available at lunchtime to help supervise soccer for our younger students? If you are, please see Mr Perigo in the office or your child's classroom teacher.
