Developing Clever Little Life Savers

This term has seen St Johns supporting our students in class. The ASB St John in Schools programme aims to develop confident young Kiwi kids who care for the health and wellbeing of their communities. The sessions deliver positive learning experiences to empower children to prevent injuries and respond to emergencies.

St John is committed to strengthening resilience and improving health and wellbeing in our community and recognise that children of all ages could make a life-saving difference in an emergency.

Levin North School is a positive, caring community, which promotes lifelong learning, celebrates individuality and encourages participation and success for all.
