Welcome to our 21 students and whanau who have started this term. We have another 7 students ready to start in the next few weeks.

This term has been challenging for us all. Like many proactive schools in the country, we have made a number of changes to reduce the impact of covid. Our seniors are having different breaks and we are operating three in-school bubbles. As a staff we have set up a second staffroom, our meetings are online such as Zoom, Google Teams or outside. We have teachers in charge of our online teaching programmes which can be found on our school Website and HERO.

<https://www.levinnorth.school.nz/>.

You can help us by scanning in, dropping students at our 'Kiss and Go' spots and wearing masks when coming on to school grounds. Remember any child who is sick, must stay home.

Please ensure HERO is uploaded to your phones and emails and phone numbers are up to date with the school office. Any notification of Covid needs to be confirmed by the Ministry of Education/Ministry of Health before messages are pushed out, and this may be slower than social media.

Our camp for this term has been postponed and we are currently trying to arrange a date for later in the year.

Staffing

We have a range of teachers operating learning programmes at North. Celeste is our Learning Support Coordinator - LSC, Kathryn Keyte is teaching our Literacy Support programmes; Reading Recovery for individuals and groups and our Better Start Literacy programme, which all of our junior teachers are involved with.

[We are also lucky to have Alison and Whaea Mary both relieving at Levin North.](#)

Role of the Learning Support Coordinator

Celeste Littek is our Learning Support Coordinator. The LSC role is a dedicated position that identifies and provides assistance to all children and young people with disabilities and learning needs. The purpose of these roles is to ensure that support is being provided to all learners and encouraging a collaborative approach of support among the wider school communities. She also focuses on engaging families in their children's learning plan and progression.
