Kia ora koutou parents, caregivers and whānau of Levin North School.

Welcome back to another exciting term. A special welcome to our new students and whanau; Emily, Finley, Tiana, Zavier, Logan, Theo and Kyson. This year has seen over 60 new students arrive at Levin North. If your child is turning 5, we would appreciate early warning to ensure we have enough staff for 2023.

Next week we welcome Salome and her family from Colombia.

### Education Review Office

It was awesome to have the opportunity to share the amazing work we are doing at Levin North with the Education Review Office, below are some of the key points highlighted by ERO. The full report can be found at:

### Background

This Profile Report was written within 21 months of the Education Review Office and Levin North School working in Te Ara Huarau, an improvement evaluation approach used in most English Medium State and State Integrated schools.

### Strengths

The school can draw from the following strengths to support its goal to personalise learning for improved student outcomes:

- distributed, school-wide leadership that pursues the vision for personalised learning and ensures teaching capability is constantly improving
- coherent organisational conditions that promote evaluation, inquiry and knowledge building
- processes and practices for consultation that ensure a range of voices inform decision making.

### Where to next?

Moving forward, the school will prioritise the following to achieve its goal of personalising learning for equitable and excellent outcomes:

- building teacher capability in the effective use of technology to promote student agency and engagement, and curriculum responsiveness
- strengthening teacher understanding of curriculum and assessment in all foundation learning areas to tailor learning to the individual student
- the continued refinement of the dispositional curriculum (key competencies) and its integration into teaching and learning.

### Message from the organisers:

The performance times are yet to be finalised, but there will be a pōwhiri at 9.15am. More detail will be released on HERO.

Doors will close just before their allocated time, we want to avoid mātua, kuia and koroua being disappointed. We have said before that it is a good idea to arrive to watch the group before your group is on. This way, they will definitely miss being disappointed.

Kapa Hapa : This is not the order but confirmation of approximate times will go out on HERO.

## Jandal Jam

Good luck to our 72 + students in our Pasifika group. Thank you to our group leader Megan who has helped lead and organise our group, Sarah and Livi and the many others that have supported the students.

Noel Leeming is delighted to be supporting [KidsCan](#) again by raising funds with our Friends and Family Promotion this November. With your help, we hope to make a difference by providing the essentials Kiwi kids need to learn, with 2.5% of the total sales from this event being donated to KidsCan. We are proud to say the event we ran earlier this year (June), raised over \$8,400 for KidsCan.

This offer is open to you, your staff, and wider Kura Whanau (including Parents, Students, and your community of friends & family). It gives them the opportunity to unlock amazing deals during the two-week period, **starting on Monday 31 October and running through until Sunday 13 November, 2022.**
