Meri Kirihimete and Happy New Year

This is the final newsletter of the year and what an awesome way to finish the year with photos of our visit to the Zoo, which saw over 300 people have a fantastic time. Students, parents and staff were totally amazing. Thanks to Emma and Megan who organised the event and all the others who worked silently in the background.

Year 6 Assembly and Farewell

Well done to our outstanding Year 6 students of 2022 🙌

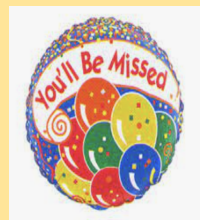

It is a sad time of the year as we farewell our students moving on to Year 7. The highlights of the year have been memorable. It has been magnificent seeing the students grow academically and socially. We wish you all the best for next year. To those parents who have been associated with our school, some for close to 20 years, thank you for your support.

Staff Farewells

Farewell to our awesome, fantastic, Caretaker **Dean Murray** who is leaving. We have valued his vision and creativity. Without you we would not have our Jalopy's, composting, worm farms and paper recycling. Also for his sharing of his music talent and the convictions Dean has brought to Levin North.

We have also found out this week that **Kathryn Keyte** is leaving us to work at Arahunga School for students with special needs. We thank her for all her dedication to our tamariki and wish her all the best in her new venture.

Parent Helpers

Thank you to all our parents who have supported us this year, without your support we would not achieve everything we have. It has certainly been difficult with Orange Covid settings in Term 1 and Covid regulations dominating most of the year. We wish for a healthy start for 2023.

skidz News

The sKids Levin North Summer holiday programme is available to book. We have an action-packed programme planned. sKids have half day care available on Thursday the 15th December final day in support of school families. Here are the links to enrol and book directly.

Remember togs, towel and hat daily. We have use of the school pool at Raumati South School and will also be doing a lot of water play over the summer.
